Who: I've Got Hope is a hope and healing meeting, message and service of Mark Canfora Ministries. Mark Canfora Sr. is the founder, director, and father whose son, Mark Canfora Jr., suddenly passed away on July 12, 2005.

Since that time in 2005, Mark Canfora Sr. has offered hope and healing messages to thousands of parents, families and friends at free festivals and meetings in Ohio and Florida. Mark has shared his experience from the heart and a father's perspective, the excruciatingly painful place of a parent that has suffered the passing of a child. Many believe, and as many of you know, there is no greater pain experienced in life than the passing of a child.

Our hope is to offer encouragement and fellowship to one another on an ongoing basis together. Our belief is that we don't have to travel this path alone.

With Hope,
